Since the independent release of his breakthrough solo piano collection *Tender Ritual* in 1985, Jim Chappell has been acknowledged as one of contemporary music's most engaging composers and performers.

With eighteen albums to his credit, Chappell has toured worldwide to sold-out audiences. His music has been used on Good Morning America, The Today Show, CNN, The Voice, several Barbara Walters' Specials, The Summer and Winter Olympic Games, MTV, etc.

Listen to Jim's entire catalog on iTunes.
